To be signed by the owner/s of the sire/semen (all owners of a syndicated or jointly owned sire/semen must sign)

I/We as the owners of the sire/semen shown above, registered with Dogs Australia with the number shown, certify that he serviced/inseminated the bitch as shown above and declare that the dog is entire, and that he has two apparently normal testicles descended into the scrotum. I/We certify that I/We was a/were financial members with a Dogs Australia affiliated body prior to and at the time of mating. I/We certify that I/We give permission for the DNA profile of the Sire/Semen to be shared for DNA Verification of Parentage. And I/We make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of an Act of the Parliament of Victoria rendering persons making a false declaration punishable for wilful and corrupt perjury.
