## DOGS VICTORIA REGULATIONS

- 4.1.3.4 A member shall not be entitled to effect the initial registration of a dog unless that person is the breeder of such dog and is the registered owner of a Prefix and is a resident of the State.
- 4.1.3.5 The provisions of these Regulations do not apply to dogs being registered in the Associate Register. In these circumstances the person applying for registration does not have to be the breeder, nor are they required to be the registered owner of a Prefix. The person must be a member of DOGS Victoria and a resident of the State.
- 4.1.3.6 The provisions of these Regulations do not apply to dogs being registered that are imported into Australia. The person applying for registration does not have to be the breeder, nor are they required to be the registered of a Prefix.
- 4.1.3.7 The provisions these Regulations may not apply to dogs on a Development or other Register approved by Management Committee. Management Committee will establish separate regulations covering these Registers.
- 4.1.3.8 Unless Management Committee determines otherwise:
1. A dog shall be eligible for registration if the sire and dam are each of the same breed; and/or varieties or inter-varieties of a breed, and both are registered.
  2. A dog shall be eligible for registration if the dog has been imported in dam and the sire and dam are eligible for registration as provided for in these Regulations.
  3. A dog shall not be eligible for registration where the dog has a tail shortened by a procedure prohibited by Victorian State legislation, unless full documentation confirming that such shortening is in accordance with the legislation is provided with the application for registration. Such documentation must prove that:
    - 3.1. The prohibited procedure was carried out before (the commencement date of the prohibiting legislation) (or the actual date); or
    - 3.2. The prohibited procedure was carried out in a jurisdiction other than Victoria, in accordance with the law of that jurisdiction, and the dog was not, at any time on or before the procedure was carried out, resident in Victoria; or
    - 3.3. The prohibited procedure was lawfully carried out by a Veterinary Surgeon as provided for by Victorian State legislation.
- 4.1.3.10 Notwithstanding the provisions of these Regulations a dog brought into the State from outside Australia by a Member resident in the State whether as owner or lessee for the purpose of exhibition shall be registered with the DOGS Victoria prior to its exhibition.
- 4.1.3.11 A dog brought or sent into the State by a person who resides outside the State may be exhibited provided that the dog is registered in the name of a member of a recognised Australian or New Zealand Controlling Body.
- 4.1.5.10 An imported dog registered in a Canine Register kept by a Controlling Body in the country from which it was imported and recognised as such by Management Committee may be registered.
- 4.1.5.11 A dog which complies with these Regulations shall be registered with the name and number by which it was initially registered to which shall be added "(imp)" and a shortened form of the name of the country in which such dog was whelped or letters or initials accepted as indicating such country except as provided in these Regulations. Illustration: "(Imp UK)," "(Imp NZ)," "(Imp USA)."
- 4.1.5.12 A dog imported in dam or whelped
1. after its dam left the country from which it was imported and before the arrival of its dam in the State; it shall be deemed to have been imported; or
  2. after the arrival of its dam in the State may be registered in the Register in accordance with the requirements of these Regulations as though it had been bred in the State; provided that its sire and dam have been re-registered with DOGS Victoria.
- 4.1.6.3 A dog over the age of six months previously registered and found to be not entire will have its registration suspended until such time as it is proved to the satisfaction of Management Committee that the dog is physically entire.
- 4.1.6.4 Any dog suspended in accordance with these Regulations shall not be accepted for stud purposes.
