

Dogs Victoria Obedience, Tracking and Endurance Committee (OTEC), Trainee Judges for 2016/17

The following people have nominated for various levels of Obedience, Rally and Tracking Judges Training for 2015/16

For our mutual benefit, Clubs are requested to assist these trainees to acquire as much experience as possible. Stewarding at Trials especially at the class they are training for, and Judging classes that they are qualified for, is an essential part of the training and assessment process. Judging at members competitions and club trial run throughs is also a very useful part of their all round training.

They require judging appointments for the licence they have most recently acquired. e.g. A judge who is aspiring for their Utility Licence needs at least 3 Open judging appointments to fulfil the criteria to apply to be tested as a Utility Judge as well as Utility Ring stewarding appointments.

If possible if you contract a mentor as a judge, it would be helpful if the trainee could be asked to steward for them. They are our new up and coming Judges. Let us support them.
