## 7.5 procedures at exhibitions

7.5.1 No member of a judge's family or household, including a person who resides at the same address, or a judge's partner, shall exhibit or handle any dog at any fixture at which the judge officiates as a judge. This regulation does not apply to a trainee judge judging a sweepstakes class where the class is judged before breed classes.

7.5.2 At an exhibition a ring steward will not exhibit or handle any exhibit under a judge for whom they have stewarded at that exhibition.

7.5.3 No person shall enter any exhibit or handle in any show or other exhibition under any judge who has, or has had, a proprietary interest in a dog or dogs whether solely or in partnership with such person, within a period of twelve months prior to such show or exhibition.

7.5.4 No person shall exhibit or handle under a judge, if that judge has handled any dog owned or part owned, leased or part leased by such person within a period of 12 months prior to such event or exhibition. This regulation applies to approved and sanctioned events, with the exception of members competitions and dog matches, and does not apply where an exhibitor assists another exhibitor who, due to a judging decision on the day, is required to compete with two or more exhibits at the same time.
