

Protection for American Staffordshire Terriers – American Staffordshire Terrier Registration Card

A protection card is available on application from the office at a cost of \$5 per dog. The card provides details of the dog's ANKC registration, and the owner's details as a member of DOGS Victoria.

This card can be used as certification of the dog's breed and pedigree status.

Please complete the form below to apply for an American Staffordshire registration card.

Note: Authentication of microchip number is required by way of – copy of barcode or vet certification.
