

**Dear Breeder**

Congratulations on your new litter.

Do you still have puppies available? Are you looking for a responsible pet owner? Why not advertise your litter on the DOGS Victoria website.

DOGS Victoria members can place a 'puppies for sale' notice on the DOGS Victoria website for three months for **FREE**. Your advert will also contain a link to your own website, your email address and contact details.

All you need to do is complete the attached online litter listing form and forward it to the office with your litter registration form. Your advert will then be placed on the DOGS Victoria website for three months.

Alternatively you may decide to place a breeder's directory notice on the DOGS Victoria website.

There are two types of adverts, breeder's directory with a profile or breeder's directory without a profile. Both adverts display your contact details including email and website address. The breeder's directory advert with a profile allows you to place text and images on the website. You may even decide to place puppy photos and pedigrees of the sire and dam of your puppies.

The cost of these adverts is \$111 with profile or \$62 without a profile for a 12 month listing. You can update this information as many times as you like during the 12 months.

Yours sincerely
