

# Free breeders directory advertising available on the DOGS Victoria website

DOGS Victoria are currently working on a new website which will be launched in 2011. Financial members of DOGS Victoria will be able to have a breeders listing free of charge on this new website.

Each free advert will contain the prefix, telephone number (one number can be listed), email address and website address.

The breeders directory listing will only appear under your designated breed/s. Details will remain available at all times and members will also have the opportunity to advise when they have puppies available.
