

Dogs Victoria's Commitment to Children and Young People Safety

Dogs Victoria is committed to promoting and protecting the safety and wellbeing of children and young people in our care who access activities, services or facilities for which Dogs Victoria is responsible for.

Dogs Victoria's Children and Young People Safety Policy and Procedures seek to promote and protect the rights of all children and young people in our care and prevent abuse from occurring by fostering a child safety culture.

In the event a concern or allegation is raised in relation to child abuse or harm that has occurred under Dogs Victoria's care, Dogs Victoria will ensure it is treated seriously, in a culturally sensitive manner and fully investigated in accordance with relevant legislation and the Dogs Victoria Complaints Policy and Procedure.

Dogs Victoria will actively promote the safety and wellbeing of children and young people to all Dogs Victoria's affiliate clubs to take direct responsibility for providing a safe environment for children and young people in their care.
