GUIDELINES FOR LITTER REGISTRATIONS

Litter Registration Guidelines (See Dogs Victoria Regulations Part 4 for full registration requirements)

- All owners of a syndicated or jointly owned animal must sign the stud and/or breeder declaration
- All living progeny must be listed on this form
- No progeny will be registered unless the breeder has registered a prefix

REGISTER

MAIN – progeny eligible for conformation exhibition, breeding (unless conditions placed) and export.

LIMITED - progeny ineligible for conformation exhibition, non-recognised colour, not to be bred or not to be exported.

REGISTRATIONS (Regulation 4.1.3.16) - The service declaration on the Litter Registration application form is to be signed by the owner/s of the sire/semen and provided to the registered owner of the bitch immediately upon satisfaction on the agreed conditions of use of the sire/semen. The signed Litter Registration application form

Before you submit....

- ┆ I have included the sire & dam's registered name as per the PEDIGREE (no pet names)
- ┆ I have included the COMPLETE service and whelping dates (including year)
- ┆ All owners of the sire have signed the stud declaration
- ┆ All owners of the bitch have signed the breeder declaration
- ┆ I have circled the register the puppies are to go on
- ┆ I have included all puppy names
- ┆ I have circled correct sex of all puppies
- ┆ I have included all puppy colours (as per the ANKC breed standard) including colour & if applicable, the pattern.
- ┆ I have included the microchip barcode
- ┆ I have lodged either the ORIGINAL or CERTIFIED COPY Hip & Elbow scores (for breeds of which this is required) & all relevant genetic testing required for my breed.
- ┆ Names are clear and understandable to read.

is to be held by the registered owner of the bitch pending registration of the litter

NAME

- Not more than 30 characters, including spaces and breeder's prefix
- Refer to ANKC Regulations Part 6 for use of another prefix in the dog's name.
- Cannot contain numerals, apostrophes or hyphens
- Duplicate names cannot be used with the same prefix
- If your first choice name is refused and there is no second choice, staff have the prerogative to choose a name
- A name cannot be changed once registered after 3 months of age.

COLOURS

Those colours not specifically accepted by the ANKC breed standard are not allowed. If an unacceptable colour is indicated, the puppy will be put on the limited register and marked "not to be upgraded".

GENETIC TESTING

Ensure all genetic testing results are submitted prior to litter registration. For breeds of which this is a requirement, either the ORIGINAL or a certified copy of the original will be accepted.

TATTOO/MICROCHIP

Handwritten microchip numbers will not be accepted.

Adhere sticker with 15-digit number or attach a copy of the microchipping certificate. The barcode on the sticker is not needed, only the numbers are required. You may cut off barcode from the sticker.

PUPPY PACKS

Tick in this column for an information packet on DOGS Victoria to pass along to your puppy buyers along with their registration papers. Please refer to scale of charges for postage costs.
