What we do

Dogs Victoria's main function is promoting responsible dog ownership and providing educational resources to all dog owners across Australia. Our community sees our organisation as a vital aspect of dog ownership, as we enhance their ability to be responsible dog owners and provide them with the most up to date educational resources.

Dogs Victoria also advocate and represent all Victorian dog owners at a government level and help explain issues faced by dog owners to local, state and federal governments.

Dogs Victoria oversees and sanctions more than 800 dog related events every year, which are attended by thousands of dog owners and competitors. We licence, regulate and promote these events through our many publications and channels to our community and the wider public.

In addition to these services we also promote and regulate Victoria's purebred dog industry, providing registration of purebred litters and breeders while delivering this vital information to the thousands of users visiting our website every week.

Who reads the Dogs Victoria Magazine?

Our Canine Community

Our community are passionate, engaged and place huge importance on providing outstanding products and services for their families. Our community view their dogs as equal members of the family and require all the love and attention a human family member does.

Our key audiences include:

- Breeders - their livelihood relies on the health and general wellbeing of their dogs
- Canine Industry Professionals - this includes people who work with dogs on a daily basis and have authority in the industry to make product decisions. This refers to veterinarians, trainers, animal behaviourists, physiotherapists and more
- Show and trial competitors - regularly engaged in the sports and trials
- Judges - a crucial aspect of show day
- Dog owners - passionate individuals and families who treat their canine companion as family
- Kennel and breed clubs - These members are always looking for new ways to get the best results for their dogs

Our Primary Demographic

- Females aged between 55-64
- Prefer to spend time with physical media like the magazine (long term focused engagement)
- Engaged with social media and follows dog community pages
- Loves to discuss fine dining, travel and canine issues
- Extremely focused on the quality and value of dog products and services
- Seeks a broad range of dog products
- Utilises the website to check regulations and for upcoming events
- Owns 1-3 purebred dogs who are considered family members
- Predominantly Melbourne based
- Predominantly English speaking

Pavilion Banners

Advertising

KCC Park is a popular spot for dog shows, with over 500 events held each year. Each event typically attracts over 200 people, meaning that a pavilion banner with your business name and logo could be seen by over 100,000 people annually! In addition to dog shows, KCC Park hosts various other events, such as the Nursery and Garden Industry Victoria (NGIV) tradeshow, school events and plant expos. This means that even more people could see your pavilion banner yearly.

A pavilion banner is a great way to promote your business to a large audience. It's also a relatively inexpensive way to advertise. It also lasts for a much longer duration than other advertising streams.

Here are some additional benefits of having a pavilion banner at KCC Park:

Increased brand awareness: Your pavilion banner will be seen by many people, which can help increase brand awareness and drive traffic to your business.

Lead generation: Your pavilion banner can generate leads by including contact information. This way, people interested in your business can easily contact you.

Sales: Your pavilion banner can also drive sales by promoting special offers or discounts. This can be a great way to attract new customers and boost sales.

If you want to promote your business to a large audience, a pavilion banner at KCC Park is a great option. It's an affordable and effective way to get your message out there and reach many people.

Commercial Advertising Rates
