

MR Peter Berchtold

AUSTRALIAN SHEPHERD

BEST OF BREED: Lovely male full of quality. Super head and expression, elegant neck, good topline, tail set. Well angulated, good chest and front. Nice substance, body and bone. Shown in beautiful condition with a beautiful coat.

BEST PUPPY: Well proportioned body, well angulated, nice substance body and bone. Good pigmentation, moved with ease. Showed like a pro.

GENERAL COMMENTS: Many typical specimens of breed shown in good condition, lovely heads and expression. Some a little straight in upper arm. All angulated well behind and good movement.

BELGIAN SHEPHERD (GROENENDAEL)

BEST OF BREED: Sound, feminine bitch with excellent head and typical expression. Good proportions of body, short coupled and square. Well angulated. Typical coat, full of quality. Moves well. Handled well.

BELGIAN SHEPHERD (TERVUEREN)

BEST OF BREED; Typey bitch. Excellent head and expression. Well set and correct ears. Super reach of neck, good topline and tail set. Square body, good front and rear. Typical when standing and on the move. Shown in good condition with a lovely coat.

AUSTRALIAN CATTLE DOG

BEST OF BREED: Quality bitch, lovely head and expression, small eyes and ears. Super reach of neck. Good topline and tail set. Well angulated, nice width of chest. Good substance of body and bone. Excellent double coat, moves well and shown in beautiful condition.

GENERAL COMMENTS: The overall quality was very good today. Generally in good condition with typical heads and bodies. All with good temperaments and basically sound.

AUSTRALIAN KELPIE

BEST OF BREED: Well constructed, masculine male. Excellent proportions of head and body. Clean neck, strong back. Excellent croup and tail. Good chest and forechest. Well angulated. Typical eyes, excellent coat. Correct movement for the breed.

BEST PUPPY: Promising puppy with a bright future. Sweet head and expression. Good proportions of body and chest. Correct angulation and moved well.

AUSTRALIAN STUMPY TAIL CATTLE DOG

BEST OF BREED: A very sound bitch with a super head and expression. Excellent ears and eyes. Strong neck, typical topline. Good proportions of chest, well angulated. Excellent quality of coat. Shows well on the move.

NORWEGIAN BUHUND

BEST OF BREED: Well proportioned with a foxy head and typical expression. Good neck, topline and tail. Typical tail carriage. Excellent chest, typical substance of body and bone. Super coat and colour. Moves well with ease. Shown in super condition

GENERAL COMMENTS: Generally nice quality of a rarer breed. Foxy heads with good pigmentation. Good proportions of bodies and angulation. Nice character and movement.

SHETLAND SHEEPDOG

BEST OF BREED: Quality male with very good outline. Super head and expression, excellent eyes and ears. Good size, balanced angulation good chest and forechest. Moves with ease and in excellent coat.

BEST PUPPY: Lovely puppy bitch full of future quality. Sweetest of heads with super ears. Excellent outline with correct angulation and proportions of chest. Happy character and moved very well.

AFFENPINSCHER

BEST OF BREED: Well constructed, sturdy, masculine male. Money-like head and expression. Good neck, topline and tail set, well angulated. Harsh coat, sound mover. Very good temperament.

BEST PUPPY: Lovely youngster, feminine head, good eyes and ears, typical expression. Good proportions of body, correct angulation. Good tail set and carriage, typical coat for age.

MINIATURE PINSCHER

BEST OF BREED; Quality male, well shaped head, excellent eyes and ears. Elegant neck, good topline and tail set. Well angulated front, good proper chest. Good coat and colour, moves typically for the breed.

BEST PUPPY: Happy puppy, sweet head and expression, clean neck, strong bone. Correct angulation, front feet could be a bit tighter. Shows well on the move.

POMERANIAN

BEST OF BREED: Sound, masculine male, very typical, lovely head and expression. Well set and correct ears. Short coupled body, good width of chest. Well angulated and shown in good condition. Free and sound movement. Excellent coat

BEST PUPPY: Well made puppy bitch with super head and expression. Excellent proportions in head and body. Very developed chest, good front and rear angulation. Super coat for her age. Sweet temperament.

MINIATURE AMERICAN SHEPHERD

BEST OF BREED: Well constructed, quality male, super head and expression. Strong neck, clean back, good size. Excellent and correct depth of chest, good substance and bone. Well angulated, shown in beautiful coat and condition. Excellent both standing and moving.

BEST PUPPY: Well developed puppy male, very promising throughout. Good proportions head and body. Correct angulation, well developed coat for his age. Shows well with free movement.

BORDER COLLIE

BEST OF BREED: Outstanding example of the breed. Super head and expression. Wonderful proportions of head and body showing all the qualities of the Border Collie. Shown in super condition of coat. Flying around the ring when moving.

BEST PUPPY: Happy, puppy girl, good head, correct outline. Well angulated, still a bit narrow in front. Good coat and colour. Shows well when standing and moving.

GENERAL COMMENTS: Excellent overall quality throughout the breed. Typical heads and body. Watch front angulation. Excellent coats and condition, all happy movers with typical head carriage.

BEARDED COLLIE

BEST OF BREED: Lovely masculine male. Well set ears, typical head and expression. Good length of neck, topline and tail set. Good proportions of chest. Well angulated, moves with reach and drive. Shown in beautiful coat and condition.

BRIARD

BEST OF BREED: Well constructed bitch, full of quality with a bright future. Excellent head and body. Well angulated, excellent substance, body and bone. Nice coat and colour. Moves well and shows like a pro.

BEST PUPPY: Correct type, well-shaped head, strong neck. Good depth of chest, strong bones and feet. Still a bit narrow in front. Good coat. Would prefer move drive when moving.

DUTCH SHEPHERD

BEST OF BREED: Masculine headed male, excellent mask, good ears, long neck and strong back. Good proper chest, well angulated. Excellent coat texture and colour. Moves with ease. Shown well.

WELSH CORGI (PEMBROKE)

BEST OF BREED: Lovely bitch full of quality, super head and expression. Lovely ears and eyes, good reach of neck, excellent topline and tail set. Well angulated in front and rear. Well sprung ribs, good chest and forechest, good substance of body and bones. Excellent coat, shown in beautiful condition. Moved with a lot of reach and drive.

BEST PUPPY: Happy puppy bitch, good proportions of head and body. Nice feminine head and expression. Correct neck, good topline and tail set. Well developed chest and forechest for age. Good substance of body and bone. Lovely coat and colour. Shown well when standing and moves like a pro.

GENERAL COMMENTS: Thoroughly enjoyed doing the breed today. Had lovely specimens in males and females with typical heads, good proportions of body, nice coats and colours. They were all moving well with happy temperaments. I really enjoyed my day, thank you.

WELSH CORGI (CARDIGAN)

BEST OF BREED: Foxy headed, masculine male, excellent head and expression. Super ears. Good reach of neck, topline and tail set. Excellent chest and forechest. Well angulated in rear

and front. Good coat, tail set and carriage. Wonderful double coat, moves well, shows well and he is my best of breed today.

GENERAL COMMENTS: Nice quality of dogs overall, very typical foxy heads, good eyes and ears. Correct proportions of head and body. Nice double coats. Some moving a little close behind. Most moving pretty well and showing well. Very good examples of the breed.

SWEDISH VALLHUND

BEST OF BREED: Well constructed, masculine male. Super head and expression, typical with his mask. Excellent ears, strong neck, clean back, good tail set. Excellent depth of chest and forechest. Well angulated in front and rear. Lovely substance of body and bone. Typical coat, harsh and in beautiful condition. Shows well when standing and on the move.

GENERAL COMMENTS: The overall quality was very nice. I had males and females quite typical for their breed, with excellent heads, good topline and moved well. The coat and colours have been very nice.

SCHIPPERKE

BEST OF BREED: Wonderful example of the breed, with a super, foxy like head. Excellent, erect, small ears. Strong neck, good topline and nice chest. Well angulated and super proportions of the head. Excellent substance of body and bone. Correct when standing, shown in beautiful condition with typical coat and mane. Moved well.

PUPPY: Lovely puppy dog, with a bright future. Wedge shaped head and good outlines. Correct proportions, well angulated, good substance of body and bone. Already shown in typical coat with puppy like mane, in beautiful condition with good stride. With typical eyes and ears.

GERMAN SHEPHERD DOG

BEST OF BREED: Quality bitch out of Junior. Lovely head, feminine expression, excellent eyes and ears. Wonderful reach of neck, typical topline, good croup and tail set. Nice depth of chest, good forechest, correct front. Lovely substance of body and bone. Super coat and colour, excellent on the stack, and especially when moving with a big, typical, effortless side gait.

GERMAN SHEPHERD (LONG STOCK COAT)

BEST OF BREED: Medium size, lovely bitch full of quality. Excellent head and expression, super mask, good eyes and ears. Strong neck and typical topline, correct croup, tail set and tail carriage. Excellent angulation in front and rear. Good depth of chest, nice substance of body and bone. Super coat. Walks with a good stride, with a lot of reach and drive. Shown well.

PUPPY: Happy, puppy girl. Good proportions of head and body, with correct mask. Good ears. Well developed chest. Correct angulation in front and rear. Excellent substance of body and bone, lovely coat for her age. Good mask. Walks with a good stride, shown in beautiful condition.

WHITE SWISS SHEPHERD

BEST OF BREED: Masculine headed male, lovely eyes and ears, with a well shaped head. Good pigmentation, elegant neck. Good topline and tail set. Well angulated in front and rear. Good chest and forechest, nice substance of body and bone. Excellent coat and shown in beautiful condition with a wonderful reach of drive when moving.

PUPPY: Well made-up puppy, lovely head and expression. Excellent set and carried ears. Good length of neck, correct topline for his age. Nice chest and forechest. Good substance of body and bones. Correct coat and moved well.

FINNISH LAPPHUND

BEST OF BREED: Sound, masculine male, full of quality. Lovely head and expression. Good mask and excellent ears. Strong neck, excellent topline. Good tail set and carriage. Excellent proportions of chest, well angulated. Lovely substance of body and bone. Typical colour and excellent double coat. Moved and shown well.

PUPPY: Well made-up puppy dog. Good proportions of head and body. Typical expression. Lovely well set ears. Strong neck. Correct back. Good tail set and carriage. Good width of chest for his age. Well angulated, nice substance of body and bone. Good double coat and colours. Moved and shown well.

SAMOYED

BEST OF BREED: Quality male. Very close to standard. Excellent head and expression. Well set and carried ears, good pigmentation, clean neck, strong back. Well set on tail. Excellent proportions of chest, well angulated, good substance. Quality bone. Typical. Coat shown in beautiful condition. Free and easy mover.

PUPPY: Happy, puppy boy. Correct outline, well developed chest for age, correct angulation. Good bone, and correct feet, typical coat and colour. Moved well and showed like a professional.

ITALIAN SPINONE

BEST OF BREED: Well made, masculine, male. Typical head and expression. Correct, excellent proportions of chest. Correct typical harsh coat, moves well with typical reach and drives at a good trot.

POLISH LOWLAND SHEEPDOG

BEST OF BREED: Sound masculine male, good head and typical proportions of body, good angulation, good bone feet, excellent coat. Moved free and easy. Typical colour and coat texture.

PULI

BEST OF BREED: Lovely example of the breed, full of quality, small, fine head with correct doming of skull, good eyes and ears. Good reach of neck with strong back. Well coupled and well angulated. Fantastic coat. Happy free mover.

MAREMMA SHEEPDOG

BEST OF BREED: Beautiful masculine male, well shaped head, typical eyes, excellent pigmentation. Good reach, neck and tail. Excellent top line. Excellent fore chest, typical substance and body and bones. Correct when standing and moving and a super coat.

OLD ENGLISH SHEEPDOG

BEST OF BREED: Excellent specimen of the breed. Sweet head and expression, lovely eyes, good pigmentation, good proportions in body, well sprung. Ribs well sprung, typical angulation, excellent coat and texture moved with ease.

PUPPY : Lovely puppy boy with bright future. Well developed head and body with correct angulation. Good front, well angulated, nice coat for age, moved and showed like a professional.

BERGAMASCO SHEPHERD

BEST OF BREED: Well constructed female with a happy temperament. Typical head and expression, correct topline. Good tail and well developed chest. Good bone. Excellent coat. Moved very well.

GREAT DANE

BEST OF BREED: Well made up dog with masculine head, a true apollo. Excellent reach of neck. Good topline and tail set. Good proportions of chest, correct substance of body and bone. Moved with reach and drive.

PUPPY: Happy puppy girl, good proportion of head and body. Well angulated, correct substance of body and bones. Moved well, showed like a pro.

COLLIE (ROUGH)

BEST OF BREED: Outstanding specimen, very close to the standard. Lovely head and expression, beautiful body. Showed in beautiful condition and coat. Great stride.

GENERAL COMMENTS: Very typical males and females, full of dignity. Shown well. Excellent condition.

COLLIE (SMOOTH)

BEST OF BREED: Quality bitch, full of elegance, lovely head and expression. Excellent eyes and ears. Good reach of neck, typical tail and tail set. Well angulation, happy free mover. Typical coat and colour.

BEST PUPPY: Happy puppy girl, with bright future. Well shaped head, good outline and correct angulation. Nice coat. Moved and showed well.

BULLMASTIFF

BEST OF BREED: Sound, masculine male, typical head and expression. Square muzzle, strong neck, clean back. Excellent proportion of chest. Good substance of body and bone. Moved well.

PUPPY: Well developed male puppy. Smart expression, good eyes and ears. Good proportions of body. Good expression, strong bone and feet. Good movement.
