

Mr A Czegledi

DEERHOUND

BEST OF BREED: Lovely size and type, elegance with strength no exaggeration. Lovely proportions, bone and substance, clean head, lovely neck flowing well onto shoulders. Roomy ribcage, good angulation, good bone, neat feet and good coat. Shows himself well with lovely frame and will fill with age.

FOXHOUND

BEST OF BREED: Beautifully presented, eye catching dog. Excellent structure full of substance and quality. Good muscle and bone. Clean head, good reach excellent with strong forelegs set well under body. Excellent shoulders, firm topline well proportioned rib cage, correct tail set. Well let down hocks, covers ground beautifully, true on the move.

SALUKI

BEST OF BREED; Excellent bitch full of substance and quality, very dry and noble head and expression, smooth flowing outline. Excellent, long head, foreface chiselled, lovely arch to neck. Excellent front assembly, deep and long rib cage. Lovely gentle curve over loin, nice long croup, well angulated with good muscle. Covered the ground with power on the move.

PUPPY; Lovely youngster, well proportioned, strong and muscular outline without any sign of coarseness or heaviness. Clean head. Excellent quarters, deep chest flowing outline. Showed himself well.

SLOUGHI

BEST OF BREED: Square shaped strong, powerful male. Clean cut outline, dry conformation. Excellent muscle tone. Clean head typical expression, strong neck goes nicely into well laid shoulders. Strong parallel front legs deep and long rib cage. Correct topline in standing and moving. Strong rear, well let down hocks. Well balanced elegant movement. Well presented.

BEST PUPPY: Well developed puppy for its age. Lovely proportions, balanced quarters, great head, correct ears. Lovely forechest, good long upper arm. Correct topline, balanced front and rear. Sound mover.

AZAWAKH

BEST OF BREED: Very feminine bitch, well put together for the breed. Typical proportions, clean outline, very dry conformation. Excellent head with beautiful expression. Lovely neck and good forechest, nice long upper arm, parallel front legs well set under body, deep chest well tucked up belly. Typical rear angulation. Well presented, light footed mover.

GREYHOUND

BEST OF BREED: Lovely strong bitch, very nice head, long well muscled neck, well made front assembly. Deep chest, typical rib cage, smooth flowing curves. Good croup, correct tail set, good angulation. Strong bone with well knuckled feet. Would like to see a touch more daylight under the body and a bit longer tail. Good reach and drive.

NORWEGIAN ELKHOUND

BEST OF BREED; Lovely size and type, correct balance throughout. Excellent head, strong neck, well laid shoulders, nicely laid elbows close to wall of chest. Short coupled body, correct tail set, typical rear. Excellent double coat, good side gait, a bit wide in front coming. Well presented.

BAVARIAN MOUNTAIN SCENT HOUND

BEST OF BREED: Very feminine bitch of correct proportions with good overall balance. Typical head and expression, lovely neck and shoulders, nice close elbows. Good ribcage and correct topline. Correct rear angulation, well muscled throughout. Excellent reach and drive.

RHODESIAN RIDGEBACK

BEST OF BREED: Excellent sized male, full of well developed muscles without any sign of heaviness or coarseness. Excellent head and expression, strong neck, well-made front, deep rib cage. Excellent topline, very typical on the move. Good stifle, well let down hocks, strong bone, feet nice. Long ridge with symmetrical crowns. Excellent colour perfectly presented, free moving.

PUPPY: Well made puppy and nicely balanced throughout. Typical head and expression. Good neck, excellent front assembly, correct body proportions not coarse. Good rear movement, lovely presentation.

PORCELAINE

BEST OF BREED: Well made, very feminine bitch. Typical outline and proportions. Clean cut elegant neck, beautiful forechest, front assembly set well under body, good spring of ribs. Well let down hocks, good stifles, a bit stressed on the day, but a good mover with good reach and drive.

HARRIER

BEST OF BREED: Very houndy throughout and both rustic and elegant at the same time. Muscular, full of substance. Good head, nice ribs, good neck, well laid shoulders, lovely forechest. Nice flowing topline with good tail set, low hock, covers lots of ground when moving. Typical coat, very nice presentation, showing itself well.

PHAROAH HOUND

BEST OF BREED: Lovely size, very dry and clean throughout. Excellent overall balance, lovely wedge shaped head, elegant neck. Well laid shoulders, good upper arm, showing front legs well under body, correct chest. Firm topline, correct on the move. Moderate rear angulation, nicely balanced, lovely coverage over ground with correct movement. Perfect presentation.

BEAGLE

BEST OF BREED: Quality youngster full of breed type. Elegant, powerful and happy. I could not take my eyes off her as she stepped into the ring. Quality radiating from her, together with femininity and strength. Absolutely balanced, fit for function, beautiful clean head, pleasing expression. Lovely neck, excellent front assembly, compact body with enough daylight underneath. Well made rear, not exaggerated, striking colour, good textured coat. Covers a lot of ground, well presented.

BEST PUPPY: Beautiful male puppy, excellent balance throughout. Well developed for the age, full of substance and quality, with beautiful, expressive head. Good balanced quarters, compact body, covers the ground well. Lovely temperament, well presented.

DACHSHUND (LONG HAIRE)

BEST OF BREED: Eye catching male presented to perfection. Tip top masculine, good substance and bone. Pleasing proportions, clean outline, good body clearance. Lovely head parallel planes, beautiful expression. Well made front, excellent forechest, ribcage and strong loin. Well kept topline, correct rear. Excellent head carriage, beautiful coat, true mover.

BEST PUPPY: Lovely outline and proportions, a little heavy for age. Excellent head and expression. Lovely neck and shoulders, good forechest. Strong front, well kept topline, nice coat, sound mover

DACHSHUND (MINIATURE LONG HAIRE)

BEST OF BREED: Beautiful size and breed type, well put together without exaggeration. Feminine throughout, well coupled body, excellent muzzle, beautiful head and expression, good forequarters, lovely ribcage, excellent reach and drive, good temperament, nice coat. Perfect presentation.

BEST PUPPY: Lovely puppy, balanced throughout, well defined outline, excellent front, clean cut head, good neck, shoulder and forechest. Good ribcage, firm topline, excellent rear. Moved well.

DACHSHUND (SMOOTH HAIRE)

BEST OF BREED: Super size, pretty bitch, full of substance and quality. Nicely chiselled, excellent head, strong neck, smooth into well laid-back shoulders and excellent forechest. Good ribcage, lovely topline and tail set, rear angulation not overdone. Lovely mover and temperament.

BEST PUPPY: A bit heavy and overdone for age, lovely outline and proportions. Clean cut masculine head, excellent neck, good forechest, ribcage and topline. Balanced angulation. A smart mover.

DACHSHUND (MINIATURE SMOOTH HAIRE)

BEST OF BREED: Tip top bitch, excellent size and condition. Beautiful proportions and overall balance. Clean head, parallel planes. Proper arch of neck, well constructed front assembly, well coupled body, good ribcage, firm topline, good tail set, correct angulation, sound, easy free mover.

BEST PUPPY: High quality puppy, typically balanced throughout. Typical chiselled head. Balanced front and rear, good ribcage and length of neck, level topline, correct tail set. Happy, sound mover.

DACHSHUND (WIRE HAIRE)

BEST OF BREED: Excellent size and breed type. Masculine and full of substance but elegant also. Nicely shaped and balanced head, excellent front assembly, roomy ribcage, correct ground clearance. Strong loin, excellent rear angulation, true mover. Lovely coat, happy temperament, nice presentation.

DACHSHUND (MINIATURE WIRE HAIRE)

BEST OF BREED: Excellent size and type and overall balance. Quality bitch without exaggeration. Excellent head and expression, correct front assembly, good ribcage, well-kept level topline. Excellent rear, good coat, she showed with good attitude.

DACHSHUND (RABBIT LONG HAIRE)

BEST OF BREED: Excellent size, clean outline, nicely proportioned front and rear quarters. Lovely head, nice neck, well laid shoulders, good forechest, moderate ribcage, excellent topline. Nice coat, moves well.

BEST PUPPY: Correct size, well put together pup. Lovely head, well balanced front and rear. Good ribcage, good bone and feet. Good coat, slightly arched topline, moved well.

BOXER

BEST OF BREED: Super quality male, beautifully made and balanced without any exaggeration. Excellent head and expression. Strong neck, beautiful front assembly, cobby body, excellent rear. Fantastic mover, beautiful presentation.

BEST PUPPY: Strong puppy, good bone and substance. Correct outline, and correctly balanced head. Elegant neck, good ribcage for age. Balanced front and rear angulation, nice frame, the dog needs to fill in. Ground covering movement.

SIBERIAN HUSKY

BEST OF BREED: Eye catching, strong, powerful bitch, but noble at the same time. Beautiful balance throughout, fit for function conformation without any sign of exaggeration. Clean cut head, beautiful neck and front assembly, roomy ribcage. Firm level topline, well angled and muscled rear with low set hocks. Beautiful coat, light footed ground covering movement. Excellent presentation.

SHIBA INU

BEST OF BREED : Gorgeous bitch, presented to perfection and in super condition. Small, compact, beautiful balance, excellent shape and expression of head. Very well made front, short coupled body, excellent tail set, beautiful rear angulation, top condition of coat, deep red with excellent urajiro. Light footed, springy movement.

BEST PUPPY: Strong male puppy, clean outline and good proportions. Lovely head and expression, nicely balanced, moderate rear angulations. Lovely coat and moved well.

SHIKOKU

BEST OF BREED: Correct size of bitch, nicely made, moderate substance and bone. Typical clean-cut head, balanced front and rear angulation, well-kept topline, should be a touch shorter in loin. Typical side gait.

GERMAN PINSCHER

BEST OF BREED: Correct size, good substance, balanced head, typical expression, reach of neck and good front assembly. Roomy ribcage, moderate rear angulation. Lovely temperament, moved well

DOBERMANN

BEST OF BREED: Correct size for male, full of substance, very masculine without any sign of coarseness. Elegant neck, short body, well kept topline, nicely sloping, strong rear, well let down hocks. Covers lot of ground on the move.

BEST PUPPY: Quality youngster, beautiful clear outline, excellent proportions. Lovely head, nicely arched neck, flowing smoothly into well laid shoulders. Beautiful forechest and ribcage. Correct tail set, prominent but not excessive angulation

ITALIAN GREYHOUND

BEST OF BREED: Really eye catching dog, beautifully balanced throughout. Masculine, full of substance. Very elegant and at the same time nicely chiselled head. Excellent front assembly, deep rib cage, nicely curved over the loin. Excellent rear angulation, breed typical movement, showing himself very well. Perfect presentation.

BEST PUPPY: Nicely shaped puppy, well developed for her age. Clean cut, feminine head, nicely crested neck going into well laid shoulders. Good depth of chest, curvy body, prominent but not over done rear angulation. Nice frame, she has time to fill in. Sound, true mover.

WHIPPET

BEST OF BREED: Lovely moderate dog, without any exaggeration. Full of substance and very elegant at the same. Nicely chiselled head, excellent expression. Excellent reach of neck with nice arch. Moved smoothly with well laid shoulders, decent forechest, front legs well set under the body. Well sprung ribs, deep chest, short coupled body, light arch over loin. Excellent angulation and well muscled rear. Covers lots of ground when on the move. True mover, nice presentation.

BEST PUPPY: High quality puppy, full of breed type, very graceful throughout. Beautiful flowing outline with excellent curves. Pleasing head. Excellent neck and front assembly. Very well balanced angulation at both ends. Showing herself very well, covering the ground with typical daisy cutting movement.

SCHNAUZER

BEST OF BREED: Excellent size, proportions and breed type. Very well made dog, correct conformation without any exaggeration. Excellent head and expression. Strong neck, correct front assembly, short coupled, well ribbed body, firm topline. Excellent tail set, well let down hock. Lovely coat and presentation. Nice drive and reach movement.

BEST PUPPY: Well developed for age, feminine throughout combined with good strength. Clean outline. Excellent proportions, lovely head, nicely balanced quarters. Showing very well.

SCHNAUZER (MINIATURE)

BEST OF BREED: Excellent breed type, beautiful outline and proportions. Strong and masculine without any sign of heaviness or coarseness. Clean cut head, excellent neck and front assembly. Cobby body, firm topline, lovely tail set. Very well made rear. Excellent coat, grooming and presentation. Covers the ground well, happy, sound mover.

BEST PUPPY: Another beautiful male. Just beaten by the winner. Excellent overall balance, very nice head and expression. Correct front and rear. Big rib cage, lovely topline and tail set. Presented to perfection. Showed himself very well.

SCHNAUZER (GIANT)

BEST OF BREED: Big framed, sound moving male. Prominent head, moderate length of neck, good front assembly. Deep chest, should be a touch shorter in loin. Moderate substance and rear angulations. Lovely coat and presentation.

DOGUE DE BORDEAUX

BEST OF BREED: Good size and typical breed type. Correct bone and substance. Balanced head, correct shape, well balanced front and rear. Big rib cage, typical topline. Typical reach, long strides in movement.

MASTIFF

BEST OF BREED: Well put together bitch, good bone and substance. Correct outline and proportions. Balanced head to her body. Excellent head and shoulders. Good forechest, strong front legs, set well under the body. Roomy ribcage, nice moderate rear, ground covering flexible movement, nice long strides. Good presentation.

BEST PUPPY: Strong puppy a bit short on leg and long in body. Typical head, strong neck, lovely forechest and ribcage. A bit open in rear angulation. Needs more balance on the move.

NEOPOLITAN MASTIFF

BEST OF BREED: Very typical throughout, not exaggerated. Correct proportions. Good substance. Massive head with correct wrinkles. Well made front assembly. Big rib cage, typical topline. Nice and moderate rear. Flexible long strides. Excellent presentation.
